Once upon a time... a beautiful gesture amongst close friends was made to hold a volleyball tournament in honor of my late husband, Clint Clausen. The idea was to raise money for our four daughters' 529 educational fund. Clint died of a massive heart attack. We had no idea he had heart disease. Since his passing, the girls and I have become huge advocates of raising healthy heart awareness. The "Clint Clausen 4DK Fours" has become a great venue for this. We have teamed up with Providence Little Company of Mary and the American Heart Association to promote their heart screenings. Last year we were able to raise enough money to give 44 screenings away - ironically, the young age of Clint when he passed.

This is only the beginning!

A little awareness can make a huge difference in saving a loved one.

"LET'S DO THIS!"

Clint Clausen
